The Honorable Michael Pompeo  
 Secretary  
 United States Department of State  
 2201 C St NW  
 Washington, DC 20520-0099

Dear Secretary Pompeo:

I wanted to bring to your attention an interaction that I recently had with individuals regarding the current U.S. Ambassador to Ukraine.

As you likely know, Marie Yovanovitch is the U.S. Ambassador to Ukraine. She previously served as Ambassador to the Republic of Armenia (2008-2011) and the Kyrgyz Republic (2005-2008). I have received notice of concrete evidence from close companions that Ambassador Yovanovitch has spoken privately and repeatedly about her disdain for the current Administration in a way that might call for the expulsion of Ms. Yovanovitch as U.S. Ambassador to Ukraine immediately.

I kindly ask you to consider terminating her ambassadorship and find a replacement as soon as possible. If you would like to discuss this matter further, I can be reached directly at 214.215.5849 or [esglo@petesessions.com](mailto:esglo@petesessions.com).

Thank you for reviewing this matter.

Sincerely,

Pete Sessions  
 Member of Congress

**Public Television:** *Ambassador Yovanovitch yesterday said that for the sake of integrity of anti-corruption institutions of Ukraine, the special anti-corruption prosecutor should be changed. Is it a demand by the United States, to whom is it addressed, and how does it go with the issue of interfering or not interfering with the affairs of a sovereign nation?*

**Under Secretary Hale:** Well, Ambassador Yovanovitch represents the President of the United States here in Ukraine, and America stands behind her statements. And I don't see any value in my own elaboration on what they may or may not have meant. They meant what she said. As a visitor here from Washington, I perhaps can widen a little bit the question if you permit me. What we seek is what the Ukrainian people seek: the aspirations that were so clearly defined and expressed during the Revolution of Dignity. The Ukrainian people said then, and they say now, I believe, that they want to make a choice. A choice for transparency, accountability, and modern corporate good governance. It's especially important that the institutions be led by individuals who are committed to those values — especially the institutions that are, in fact, designed to enforce those rules. But in the end of the day, these are

EMBASSY OF THE UNITED STATES OF AMERICA  
THE AMBASSADOR

Kyiv, Ukraine  
February 12, 2019

Dear Mr. Ambassador:

As senior U.S. officials have raised with Ukrainian counterparts on multiple occasions, I am writing to follow up on the case of fraudulent passports issued by Ukrainian officials. We remain very concerned by the lack of progress prosecuting those behind the Pimakhova passport fraud case or accurately tracking the number of fake passports still in circulation. I must emphasize how seriously we take this case, which has national security implications and the potential to threaten the safety of citizens of the United States, Ukraine, and third countries.

The U.S. government has confirmed that at least one individual entered the United States with a fraudulently obtained Ukrainian passport, and the Security Service of Ukraine (SBU) indicated terrorists and other individuals from high terrorism-threat countries were issued or were in possession of fraudulently obtained Ukrainian passports. ISIS leadership has repeatedly called upon its followers to attack western targets. The FBI remains concerned extremists could use fraudulently obtained Ukrainian travel documents to enter the United States to conduct an attack or conduct an attack against western interests in Europe.

More than one year has passed since the arrest of three officers of the National Anti-corruption Bureau of Ukraine (NABU) and the disruption by SBU and the Prosecutor General's Office (PGO) of the above passport case. I am therefore requesting, in writing, your government's cooperation and update on three issues:

1. To ensure all NABU evidence seized by SBU is returned immediately so NABU's investigation into the Pimakhova case can proceed in earnest;
2. To proceed with a joint PGO-NABU-SBU investigation into the PGO and SBU attempts to disrupt the case; and
3. To remove Directorate K from the SBU, in line with Article 19 of Ukraine's Law on National Security, which defines the competencies of SBU as counter-intelligence, counter-terrorism, and protection of state secrets. In keeping with Western principles, an intelligence and state security organization should not be involved in criminal investigations focused on organized crime or corruption offenses.

His Excellency

Ambassador Kostyantyn Yeliseiev,  
Deputy Head of the Presidential Administration,  
Kyiv, Ukraine.

I would appreciate your assistance in bringing these national security threats to the attention of the President and to ensure immediate and effective action is taken to address them. I would be grateful for an update on your efforts at your earliest convenience.

Sincerely,

On tarmac for almost one hour. I think Mueller knew I was on this plane and is delaying it so he gets me to say whatever he wants me to say. But I'm just incapable of lying to save my own skin. He wants me to say that 35 years ago DT didn't pay two parking tickets. You say so what's so important? Well they may have been right in front of then Soviet embassy. I WILL NOT BE BROKEN!

I've got nothing. The anti corruption prosecutor made some very weak comments that are equivocal at best. And not consistent with the facts. Story would get blown up. Don't want to lead with my weakest hand.

I need Porochenko And the AG on the record about the ambassador and Biden. Can u make that happen? Just starting to get cooperation from former AG Shokin. So we are moving in good direction

@globalenergyproducers.com

First of all, I want to thank you for your understanding, as well as for interesting and conclusive questions. I will do my best to give essential answers keeping in mind format specifics. Though during live interview, being in Washington, it would be possible to significantly expand the circle of questions, and more information on the topics of your interest could have been revealed.

One of the key motivation for my willingness for dialogue is that I sincerely love and respect the United States of America and the American people. I could hardly feel different considering the fact that American doctors saved my life, and my daughters and grandchildren are US citizens living in United States.

As for the questions about the US Ambassador Marie Louise Yovanovitch. First of all, I want to clarify that I am not acquainted with her and have never communicated with her. However, I carefully analyze her activities as the US Ambassador to Ukraine. In my opinion, her recent comments, among other things, on personnel decisions issues and the fight against corruption, indicate that her speeches might lead to regress in relations between the United States of America and Ukraine. Unfortunately, I am not familiar with the letter you mention in one of your questions, so I can not comment on that.

As for activities of Mr. Joseph Biden in Ukraine, I would note that the video you mention was seen not only by me, but also by millions of people around the world. I received a lot of addresses and comments from people who were deeply outraged and disappointed with Mr. Biden's act. By and large, I have nothing to add to the storyline itself. The Vice President of the United States of America demands that the leadership of Ukraine dismisses the Attorney General of a sovereign country within six hours. Based on the narrative by Joe Biden himself, he was given a refusal at first. It was then that the ultimatum followed, the subject of which was a billion dollars in credit guarantees. I want to note that Joseph Biden repeatedly, starting the summer of 2015, approached the President of Ukraine, Petro Poroshenko, demanding my dismissal.

To my knowledge, President Poroshenko has repeatedly rejected. It got to the point that Mr. Biden promised to provide the President of Ukraine with information about my allegedly corrupt activities. After Joe Biden's last visit to Ukraine, in December 2014, I asked Petro Poroshenko about whether the Vice President of the United States provided any materials about me committing acts of corruption or any other offenses. The President replied that no Joseph Biden did not provide any information of about my illegal activities.

Regarding Mr. Nikolay Zlochevsky, who is the former Minister of Ecology under the Presidency of Mr. Viktor Yanukovich, and a number of his companies including Burisma Holdings Limited, several criminal cases were opened in 2014-2015 under various articles of the Criminal Code of Ukraine, including illegal large scale enrichment, money laundering on a large scale, and abuse of power. These criminal cases had been dismissed unreasonably and beforehand by the Prosecutor General's Office of Ukraine after my dismissal. Moreover, at that same time the Prosecutor General Office unlawfully dismissed criminal case on embezzlement of US taxpayers' money, which the US government allocated for various programs in Ukraine in 2013-2016, proven by the document attached.

In course of investigation of criminal cases against Mr. Nikolai Zlochevsky and his companies, including Burisma Holdings Limited, specific plans were drafted. Those plans included interrogations and other crime investigation procedures into all members of the executive board, including Hunter Biden. I would like to emphasize on the fact that presumption of innocence principle in Ukraine is in act, as well as investigatory and judicial privilege. Therefore, I can not give any details on preliminary investigation of these criminal cases.

I am going to say I have been informed the people advising the PRES ELECT are no friends of the President. At least one was involved in delivering fraudulent evidence falsely accusing the campaign and made horrible statements about his desire to defeat him. Hopefully Pres elect will realize that tge operatives around him don't have his best interests at heart

I concluded that the President elect is being advised by people who were very vocal opponents of President Trump and peculiarly vocal supporters of Hillary Clinton, in particular Sergii Leschenko. He has already been found to have acted improperly with regard to our 2016 election. Under these circumstances the meeting would have accomplished little and may be in the hands of those who might misrepresent it. My purpose was to share information to assist their on-going investigation of Ukrainian officials being used by Americans to gather information to assist Clinton in last election. It was also to alert them to the very real dangers that they are people involved in the investigation as targets who are attempting to shut it down before it reaches a conclusion. This investigation has the potential to reveal some of the people who originated and/or propagated the false claim of collusion which has been found to be false now by 2, not 1, FBI investigations. This false charge didn't emerge from thin air. If it didn't originate in Ukraine, there is evidence it was pursued there and pursued using illicit means.

On July 25 at night, negotiations took place between Uri Leibert and Zelensky (on a boat). Their result was Zelensky's consent to hand over the management of the cities of Kiev and the Dnieper to the Kolomoisky, as well as the Dnipropetrovsk region. Tariff policy in the field of industrial energy. Ministry of Energy and Coal Industry. To privatize Privatbank in favor of Kolomoisky. Odessa port plant. Tender fuel supplies to Ukrzaliznitsa ... Bogdan's actions against Klitschko, the result of the agreements that took place on July 25th on the city of Kiev. On July 26, a meeting was held between Bogdan, Shafir and Tkachenko (director of the Kolomoisky Channel) on the issue of Klitschko and the city of Kiev. *it a demand by the United States, to whom is it addressed, and how does it go with the issue of interfering or not interfering with the affairs of a sovereign nation?*

**Under Secretary Hale:** Well, Ambassador Yovanovitch represents the President of the United States here in Ukraine, and America stands behind her statements. And I don't see any value in my own elaboration on what they may or may not have meant. They meant what she said. As a visitor here from Washington, I perhaps can widen a little bit the question if you permit me. What we seek is what the Ukrainian people seek: the aspirations that were so clearly defined and expressed during the Revolution of Dignity. The Ukrainian people said then, and they say now, I believe, that they want to make a

choice. A choice for freedom.

Laura Ingraham: "In May 2018, former Congressman Pete Sessions sent Secretary of State Pompeo an urgent letter imploring him to remove the U.S. Ambassador to Ukraine Marie Yovanovitch. ... She's reportedly demonstrated clear anti-Trump bias." <https://t.co/...>

Time to clean house of all the anti-Trump, Obama holdovers serving as ambassadors. We need more people like @RichardGrenell and less of these Trump haters serving in the admin.

Once again case falls apart. Let's move on to who instructed Mifsud to frame Papadopoulos? Did Weissmann try to suborn perjurious testimony from Firtash, Corsi and Manafort among others? If Mueller didn't write report, as his disastrous testimony made clear, who did? Weissmann (ethically challenged) Rhee (Clinton Foundation) Quarles(\$35,000 to Hillary alone) or all of them which is who it is almost fighting with the truth, ethics and itself.

This is like a Grade B horror movie with Nadler and Schiff the stars. Remember the hand keeps coming up and you have to bat it down 4 or 5 times. It's getting easier and may become a satirical comedy. I don't think Pelosi wasn't to be in the movie. Soon it will be The End and credits will appear Note the names for possible parts in the Grade A movie which is already being filmed. Dont miss it.

You want me to go on Fox news and talk about it? I would not mention any names if I did that. I would just say a client approached me six months back with allegations that FBI and US Ambassador in Ukraine were playing favorites. And reference Burisma getting free pass and alleged ties to "high level Obama administration officials". Maybe mention allegations about setting up Manafort. The media could connect the dots from there.
